17.15 Round-Table and discussion

(Speakers and participants)

18.00 Conclusions – End of the meeting

Intended audience

Company's Owners, Business Managers, Management System Managers, Purchasing Department managers.

Objectives

The speakers will explain, step by step, what companies should do in the next months in order to adapt their Management System to IRIS Standard. The important contribution of who has worked in the drafting of the Standard (UNIFE) and who has promoted it (System Integrators), will help to clarify also to those people that have already notions on IRIS previous edition any doubt on introduced changes and the steps to be followed in order to obtain the final Certification within the requested deadlines.

Attendance Certificate

An attendance Certificate will be issued.
